I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 1:** Check ONE box.
- B Block 2.f and 2.g:** Your Illinois Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- C Block 2.h and 2.j:** Provide an email address that you can access and/or a phone number at which you can be reached for use in contacting you in a timely manner in the event that there is a question regarding your application.
- D Block 3.a through 3.e:** Provide the complete street address of your Illinois voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- E Block 4.a:** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- F Block 4.c:** This form acts as a request for a mailed absentee ballot only. Illinois does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D. for exception.
- G Block 5: If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.
- H Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year **OR** a ballot for only the next scheduled election for Federal office by noting your choice here.

- I Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Illinois and members of the U.S. Service. Defined as:

Members of the Uniformed Services and their family members when residing with them or accompanying them. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

Registration is waived.

To apply for an absentee ballot, the local election official must receive your FPCA ballot request not later than 10 days before the Election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must be received in the local election office by 7:00 p.m. on election day or **by the 14th day following the election if postmarked by the day before election day.**

Local election officials send regular absentee ballots 45 days before a primary or special election and 60 days before the general election.

If regular absentee ballots are not available 60 days before the general election, local election officials mail a Special Write-In Absentee Voter's Blank ballot with a list of candidates who have qualified to be on the ballot and all referenda for which the voter is qualified to vote.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Illinois allows you to send your FPCA applications for an absentee ballot by fax if you are a member of the Armed Forces. After faxing, you must submit the original FPCA by mail.
- Illinois does not allow you to receive the blank ballot by fax or email.
- The City of Chicago and Suburban Cook County will accept requests for absentee ballots and send you the blank ballot by fax or email. After emailing, in order for the ballot to be counted, the signed original FPCA must be received by election day or by the 14th day following the election if postmarked by the day before election day. Completed ballots must be returned by regular mail.
- Illinois does not allow you to return the voted ballot by fax or email.

Please refer to Appendix B for specific instructions when transmitting Election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers

(See inside back cover)

E. Application for Ballot by Proxy

If you are a member of the U.S. Service, and your spouse, dependent, mother, father, sister, or brother is registered to vote in your election precinct of voting residence, he or she may use a special application provided by the election official to request that an absentee ballot be mailed to you.

F. Bars to Registration and Voting

Persons imprisoned for any crime may not register or vote. However, persons on parole are not prohibited from voting.

G. Cancellation of Registration

Registration is suspended unless a confirmation notice mailed to the registrant is returned prior to the next election. An application for ballot will reactivate the full registration during the period of two years if the registrant has not changed Illinois residence.

H. Action on Registration Requests

Notice of registration is sent by mail after an affidavit of registration is completed in duplicate and returned to the local election official.

I. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Illinois shall provide you with the reason(s) for the rejection.

J. Action If Registration Is Denied

Persons denied registration may appeal to the circuit court. Persons seeking to appeal should consult a legal assistance officer or civilian counsel.

K. Late Registration

Members of the U.S. Armed Forces or merchant marine or those discharged within 60 days of an election, who return to Illinois too late to register for the upcoming election are still entitled to vote in person in that election only by affidavit. Registration is not required.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Illinois and overseas citizens. The term “overseas citizen(s)” means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Illinois. Defined as:

- Illinois residents temporarily residing outside the U.S. (Consult Section B below for ballot type eligibility)
- overseas citizens (for Federal office ballots only)

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

If you are an unregistered Illinois resident temporarily residing outside the U.S., the local election official must receive your FPCA not later than 30 days before the election. You will receive a ballot for local, state and Federal offices. However, if your FPCA arrives less than 30 days, but not later than 10 days before the election, registration is waived and the local Election official will send you a ballot for Federal offices only.

If you are a registered Illinois resident temporarily residing outside the U.S., the local election official must receive your FPCA not later than 10 days before the election. You will receive a ballot for local, state and Federal offices.

If you are an overseas non-resident civilian citizen, otherwise qualified to vote in Illinois, you may make application to the election authority having jurisdiction

over your precinct of former resident for an absentee ballot containing the Federal offices only. The application must be received not less than 10 days before a Federal election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must be received in the local election office by 7:00 p.m. on election day or **by the 14th day following the election if postmarked by the day before election day.**

Local election officials send regular absentee ballots 45 days before a primary or special election and 60 days before the general election.

If regular absentee ballots are not available 60 days before the general election, local election officials mail a Special Write-In Absentee Voter's Blank Ballot with a list of candidates who have qualified to be on the ballot and all referenda for which the voter is qualified to vote.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

Generally, Illinois **does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted ballot.** However, the City of Chicago and Suburban Cook County will accept requests for absentee ballots and send you the blank ballot by fax or email. After emailing, in order for the ballot to be counted, the signed original FPCA must be received by election day or by the 14th day following the election if postmarked by the day before election day.

City of Chicago and Suburban Cook County residents should refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers: DSN 223-5527, (703) 693-5527, 1-800-368-8683, (from U.S., Canada, Guam, Puerto Rico, Virgin Islands only). See inside back cover for International toll-free fax numbers.

Completed ballots must be returned by regular mail.

E. Bars to Registration and Voting

Persons imprisoned for any crime may not register or vote. However, persons on parole are not prohibited from voting.

F. Cancellation of Registration

Registration is suspended unless a confirmation notice mailed to the registrant is returned prior to the next election.

An application for ballot will reactivate the full registration during the period of two years if the registrant has not changed Illinois residence.

G. Action on Registration Requests

Notice of registration is sent by mail after an affidavit of registration is completed in duplicate and returned to the local election official.

H. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Illinois shall provide you with the reason(s) for the rejection.

I. Action If Registration Is Denied

Persons denied registration may appeal to the circuit court. Persons seeking to appeal should consult a legal assistance officer or civilian counsel.

J. Late Registration

Members of the U.S. Armed Forces or merchant marine or those discharged within 60 days of an election, who return to Illinois too late to register for the upcoming election are still entitled to vote in person in that election only by affidavit. Registration is not required.
